SUBJECT: REVISION OF THE CA 237 CALWORKs FG/U STATISTICAL REPORT

REFERENCE: ALL COUNTY LETTER NO. 98-31

This letter is to inform the counties that the revised CA 237 CalWORKs FG/U Statistical Report (CA 237 FG/U) that was issued May 6, 1998 with All County Letter (ACL) No. 98-31, has a new effective date, January 1, 1999.

The California Department of Social Services is working with county advisory groups to resolve questions raised by the CA 237 FG/U issued with ACL 98-31. When all questions have been addressed, a slightly revised form and instructions will be issued for use on the January 1999 and subsequent reporting months. All counties must be ready to report on the new form beginning with the January 1999 reporting month. Counties should report on the old AFDC Caseload Movement and Expenditure Report CA 237 FG/U (3/88) until that time.

In order to achieve more efficient reporting and to ease the burden associated with submitting paper reports, the Department is planning to implement an electronic reporting system for the CA 237 FG/U. The primary means of reporting the CA 237 FG/U will utilize electronic systems or diskettes. If a county is unable to submit an electronic version, a backup system for submission of paper copies will be available until an electronic method is established for that county. More information regarding electronic reporting alternatives will be disseminated in a forthcoming All County Information Notice.
